22 Hours of NMOA **Approved Continuing Education**

Attendees must have certificate stamped at the end of each session. CE certificate in duplicate will be furnished at the beginning of the convention. Attendees keep the original, the duplicate copy will be collected at the end of the last session. (NMOA does not mail certificate to you -- the duplicate copy is maintained in the NMOA files.)

Island Beach Party!

The 2019 New Mexico Optometric Association Convention offers 22 hours of NMOA Approved continuing education for optometrists and 6 hours of continuing education for paraoptometricists. In addition to the continuing education, this year's convention will offer a Wine Tasting Reception on Thursday, Exhibit Hall Functions on Friday Evening and Saturday Lunch, and the Installation Dinner & Silent Auction on Saturday.

Exhibit Hall Functions

48 exhibitors will be hosting you for a reception on Friday Evening from 5:00pm-8:00pm and Saturday from 11:00am-2:00pm for Lunch. Paraoptometricists will attend the lunch from 11:00am-1:00pm and Optometrists will attend the lunch from 12noon-2:00pm. Food and Beverage will be provided at both functions.

Island Beach Party! Installation Dinner & Silent Auction

All convention registrants are invited to attend the 2019-2020 Installation Dinner and Silent Auction on Saturday, April 6th. This year's theme is "Island Beach Party"!

We encourage you to dress yourselves and your staff in the "Beach" theme. Think "Hawaiian Shirts", "Sun & Fun", "Sun Glasses", etc.! Prizes will be awarded for "Best Costume" and "Best Office Costume"!

NMOA Membership Luncheon

All NMOA members are invited to attend the NMOA Membership Lunch on Friday, April 5th - 12noon-2pm

Friday, April 5, 2019

5pm-8pm **Exhibitor Reception**

Saturday, April 6, 2019

8:30am **Registration**

9am-10am **Preventing Burnout - AOA-CPC, ABO & NCLE**

This one hour course is designed to assist attendees with identifying the signs of burnout in themselves and in other employees. This course will also assist with techniques on dealing with burnout. A discussion on the signs and effects of burnout will be discussed. Possible solutions and suggestions will be discussed. This course is very popular and helpful.

10am-11am **Contact Lens Basics- AOA-CPC & NCLE**

This course covers contacts lens from the fitting from patient motivation to successful contact lens wear. Ocular anatomy will be discussed, the steps required in fitting contacts, patient education, and insertion and removing techniques.

11am-1pm **Exhibitor Luncheon**

1pm-3pm **The Ultimate Practice II - AOA-CPC, ABO & NCLE**

This course is designed to be a more in-depth course to assist the attendees in understanding the primary requirements for a thriving practice. A handout is given and key points for making a practice more practical are discussed. The course will cover the key and critical elements within a practice that are required for an efficient practice.

3pm-4pm **Screening Children - AOA-CPC & ABO**

This course will discuss the ocular development and growth of young children. The discussion will cover issues dealing with the pre-screening and preparation of young children. It will go over scenarios and possible outcomes. It will discuss set-up, testing, and concerns in treating young children and dealing with parents.

4pm-5pm **How Dry Eye Disease Impacts Vision and Refraction - AOA-CPC, ABO & NCLE**

This course is designed to discover the disease and complexities of dry eyes and its impact upon the refractive status of the eye. This course will discover the anatomy and physiology of the eye and tear film. It will also cover symptoms, diagnosing, testing, and current available treatments for dry eye disease.

6pm-10pm **NMOA Installation of Officers and Trustees Dinner & Silent Auction**
